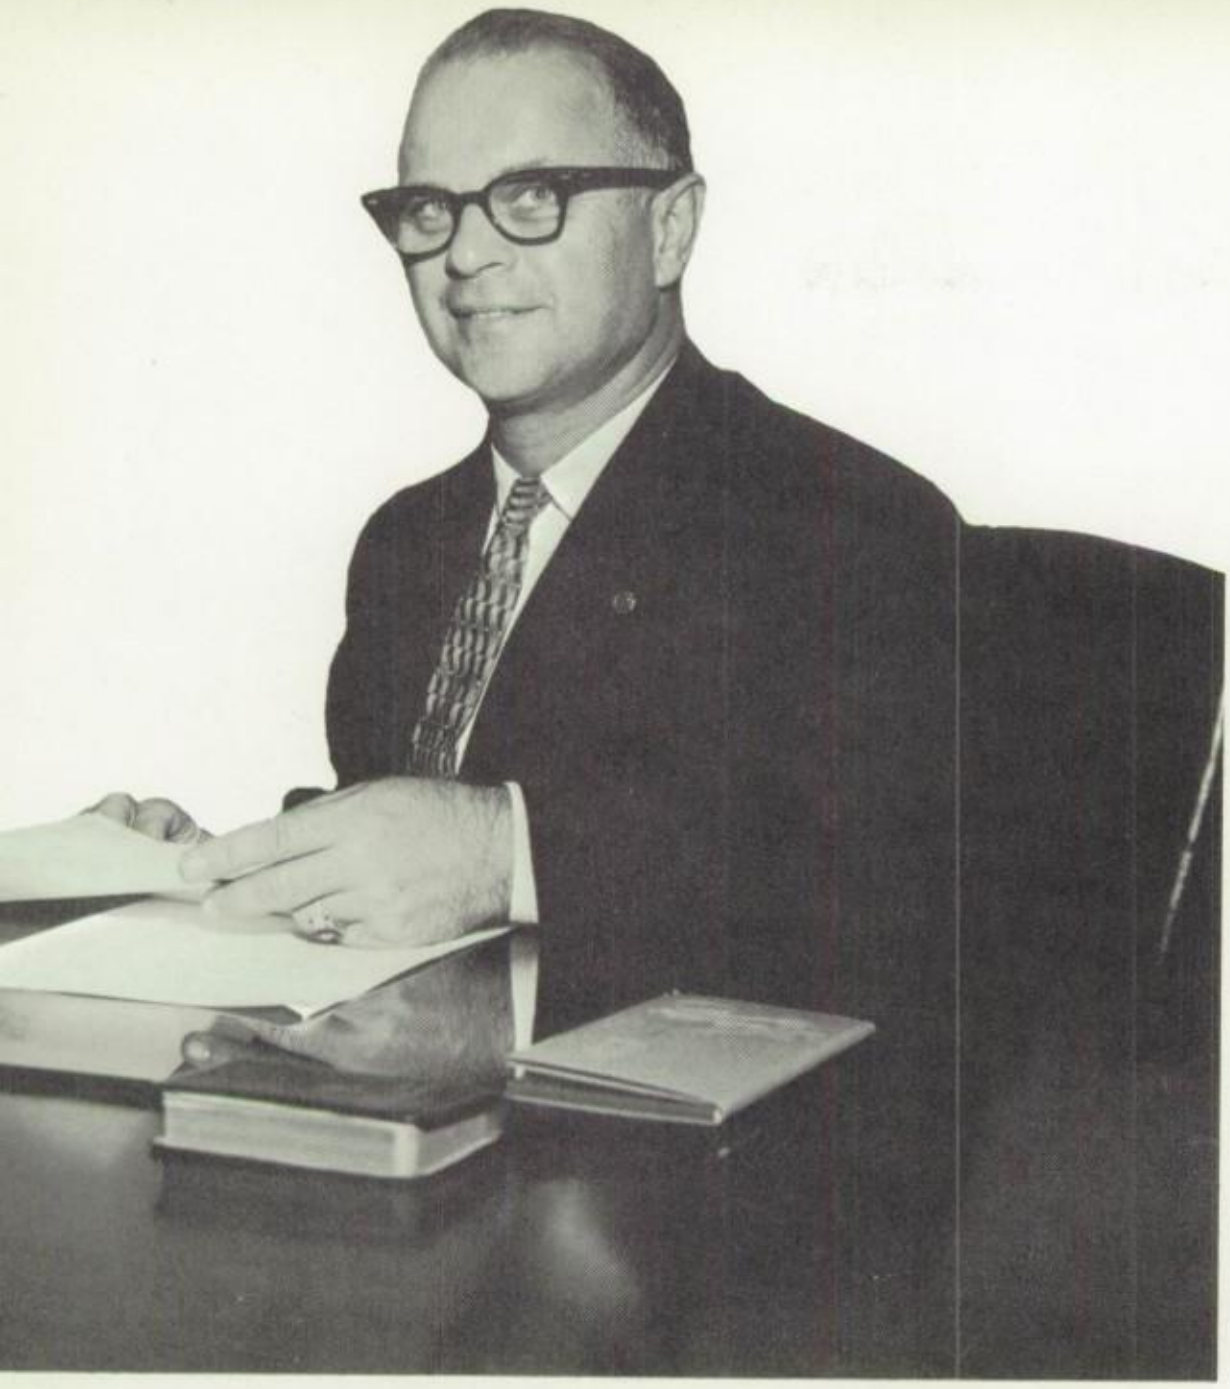
Dedication

To our Mothers and Fathers — whose interests have been in the improvement of our lives — whose love and encouragement have been inspirational — and whose never ending sacrifices have made possible these four years of high school — we respectfully dedicate the J-Hi-Life of 1960 to you our parents.



TO THE CLASS OF 1960

You are now completing your formal public education. You have many things to look back upon. The memories of the past twelve years are full of adventure. You may recall your first day of school, with its hopes, its fears, its eager anticipations. Then you learned to work and play as an individual within a group. You gradually discovered that you could read words.

As each year drew to a close you looked forward to summer vacation and a new assignment with a new teacher for the coming year. You may recall how you proclaimed to all that you did not like school, yet each summer you anxiously waited for school to start so that you could be back with the rest of the "gang."

You may recall the excitement of becoming a High School student with all the activities. You enjoyed participation in the dances, the plays, band, chorus, Follies, football, basketball, track, and other events. There were times that you may have made the honor roll, at other times you didn't.

You enjoyed your high school career in direct proportion to the success of your accomplishments. There were times that you failed to act as you knew you should. There were other occasions that brought honor to you and to those who worked with you.

You are now ready to leave your high school career behind. What will you do? How well are you prepared for the years ahead? We have tried to help you in such a manner that you will be able to face your future. It is our sincere hope that you will be successful in your endeavors. May you so live that we who remain here can say, "We are proud that you attended Jefferson High School."

We extend our sincere best wishes to each of you.

CLASS SONG:

Memories, Memories
Dreams of school days gone
All those years of memory
Jeff Hi we owe to you.
Childhood days, childhood ways
Within your cherished halls,
Our teachers, our friends
To you we give thanks
On our graduation day.

Onward time, onward time
Dreams of things to come
In our future lives Jeff Hi
Our thoughts drift back to you.
You paved our ways, for future days
Among our new found friends
Too soon we must go
But still you're our own
In our beautiful memories.

G. I. A.

The Girls' Intramural Association was the only club exclusively for girls in the school this year.

The many events of the year started very early, for the annual G.I.A. Follies were held October 23. After several weeks of rehearsal the Show Boat Follies was a tremendous success.

The main event of the winter came on December 5, The Snowflake Swirl. This is the annual formal dance. After hours of planning under the supervision of the advisor, Miss LaVera Hill, and the general chairman of the dance Brenda Schumann, the evening will always remain an event to remember. For some of us it was our first and others our last high school formal dance.

Many other events were playdays where the girls met and enjoyed spending fun and games with other girls from schools throughout the county.

The club completed another year of events with the annual G.I.A. Awards Banquet. Girls were eligible for membership through the point system and those receiving adequate points were presented awards at the annual banquet.

1959-60 was a success and Miss Hill did an excellent job.

The Student Council under the capable direction of Mr. A. Dale Santner has been active in Jefferson High School for several years. During this time the members of this organization have assisted in a number of projects which have been extremely beneficial to our school. Through their efforts, activities during the noon hour were planned, assistance in the school cafeteria was given, Canteens after ballgames were held and special assemblies were provided to add to the different activities of our school.

Congratulations are extended to this group for a job well done.

This year's officers are:

The Student Librarians are one of the most helpful groups in our school. They exert a great effort to make our library a sourceful place of information. They work during their study halls typing, filing, and helping students find the information they need for study and research.

A "Thanks" goes to our fine group of Student Librarians.

On Pan American Day in April, a dinner is given and one or two special guests are invited, usually of Spanish descent. In May, the club's annual picnic is held and all the Spaniards say "adios" until next year.

The Spanish students have enjoyed this organization and wish it success in future years. "Adios Amigos."

One does not realize the time and effort that must be exerted to make such a project a success. The editor, Darlene Inman, wishes to thank the members of the staff for their co-operation.

NATIONAL HONOR SOCIETY

Patti Shore, Jim Cook, Kathy McNutt, Mr. Keith Ware, Ron Naso, Tom Reuschling.

Members of the National Honor Society are chosen by the faculty from the upper tenth of the Junior Class, and the upper third of the Senior class scholastically. They are selected also on the basis of character — reliability, loyalty, and honesty; scholarship — maintaining a high grade average; leadership — holding offices and promoting worthwhile activities; and service — a willingness to cheerfully render one's services to the school.

The members attend county banquets during the school year. At these times, county officers are elected. Ron Naso was elected County President of the National Honor Society in 1959.

High school NHS officers are as follows:

President — Jim Cook
Vice President — Patti Shore

Secretary — Kathy McNutt
Treasurer — Tim Reuschling
Sergeant at Arms — Ron Naso

The advisor is Mr. Keith Ware.

The projection club is an educational group for boys in grades eight through twelve.

Their very capable advisor is Mrs. Orpha Euverard.

Most of the boys start in the eighth grade, and receive instructions on the operation of the equipment. However, a boy can join the club in the ninth grade.

The equipment the club uses to carry out its task of bringing the very excellent and helpful film lessons to both the elementary and high school classes are: 2 movie projectors, three film strip projectors, one tape recorder, one viewmaster, one portable screen and eight wall screens. Their continually growing library now has 450 film strips.

To the projection club go our many thanks for making our lessons this year more interesting and also for giving us a broader and more understanding view than our textbooks can give.

This has been another successful year for the projection club.

The 1959 Falcon football team presented Jefferson High with the third best record in the history of the school. They had an overall record of 6—2 and a Western Reserve League record of 5—2, finishing third.

Coach Butcher has this to say: "Our team was the smallest in the league in weight, but overcame that handicap time after time. The team was built around eight seniors and three sophomores and was the best defensive team that has been at Jefferson for a few years."

"We have nine members of the team graduating this year, but many younger members are ready to step into their places and are hoping to chalk up an even better record next year."

MOST VALUABLE FOOTBALL PLAYER OF 1959

The Most Valuable Football Player is selected from the senior members of the football squad by those who subscribe to the J-Hi-Life.

For the first time since the award has been given there was a tie and the honors went to two very deserving boys.

Ronald Berrier has been on the football squad throughout his four years in high school. Ronnie played the position of halfback. He is a very deserving boy and added all in his power to end each game with a victory.

Ron has been active in other sports besides football and is well liked by everyone who knows him.

Congratulations and best wishes to Ronald Berrier, one of the Most Valuable Football Players of 1959.

Ronald Naso also joined the Falcon team in his freshman year. He was a very capable and efficient quarterback. His ability to lead and also to work with a group helped make the '59 football record a very good one.

Ron was active in other sports, the projection club, and is a leader scholastically.

We would like to extend our best wishes for a successful future to Ronald Naso, one of the Most Valuable Football Players of 1959.

FOOTBALL CHEERLEADERS

Patti Shore, Darlene Inman, Carol Roberts, Sandy Mead, Roberta Walker, Naomi Falkenburg.

HOMECOMING QUEEN

The football team of 1959 elected as their Football Queen, Miss Patti Jean Shore. During a cold, but beautiful clear night in October, Patti was crowned queen. She was presented gifts and flowers during half-time. Patti, looking very beautiful, graciously thanked everyone for the honor.

Patti is a member of many activities. Some of these are the National Honor Society, G.I.A. and Future Teachers. Her warm smile, friendly disposition, and willingness to help are just a few of the characteristics that Patti possesses.

Patti and her attendants were guests at a dance held in their honor the following night.

HOMECOMING ATTENDANTS

The 1959 football team elected two girls to serve as attendants to the queen. They were Darlene Inman and Sandra Mead. These girls happily attended Patti at her crowning. Gifts and flowers were presented to the attendants. Both girls are varsity cheerleaders.

Sandra and Darlene participate in many school activities. Their winning personalities make them liked by all with whom they associate.

These girls are known throughout the school and each is a queen in her own respect.

VARSITY BASKETBALL TEAM

Jim White, Ron Naso, Nate Hall, Jim Anthony, Tom Reuschling, Marty Vargo, Rollin Havens, Carroll Hermann, Butch Brown, Coach Wormal, Manager; Kenny Cross, Not Shown — Ron Berrier.

The Varsity squad, which consisted of ten seniors, finished the season with an overall record of fourteen wins, four losses, ranking third in the Western Reserve League. The losses were Harbor, Madison and Edgewood. The Edgewood game was lost by two points in an overtime as was one of the Harbor games.

Coach Robert Wormal had this to say about the squad. "This is the best balanced team Jefferson has had since I have been here. All of the boys showed team spirit and I think in all that it was a very successful season."

One of the team's biggest advantages was the speed in which they conducted a game.

We are very proud of our team for the wonderful season they had and wish to congratulate the boys for their hard work in making our team an outstanding one.

Patti Shore, Carol Roberts, Darlene Inman, Sandy Mead, Bert Walker, Skeet Falkenburg.

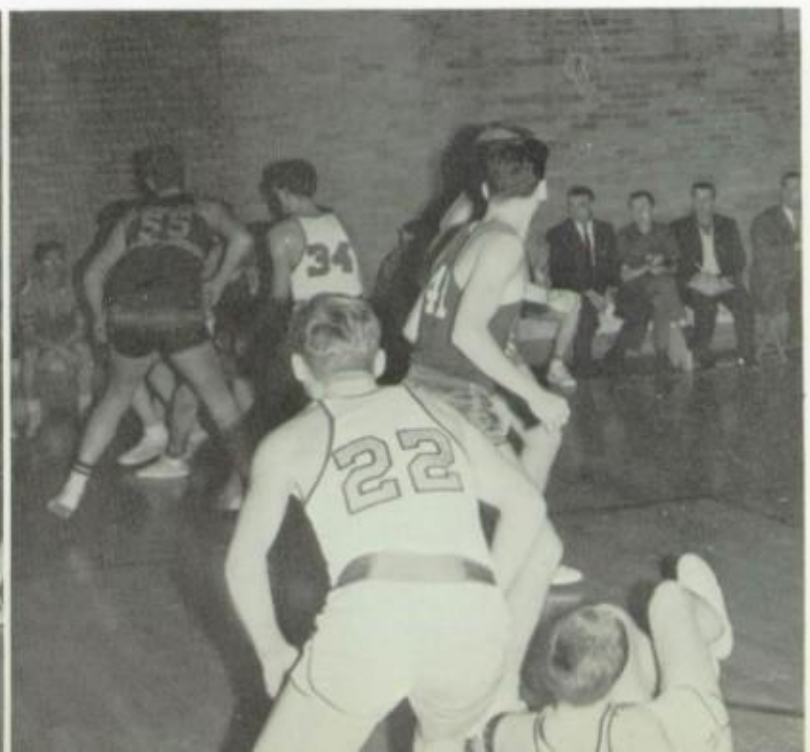
RESERVE BASKETBALL TEAM

The Reserve team finished the 1959-60 basketball season with ten wins and eight losses. In league play, seven of these games were won and seven were lost, while three were won and one was lost in non-league games.

The team was composed of juniors Butch Ollila, Ben Chambers, Duane Butler, Rick Laitinen, Larry Stevens, and Ralph Harvey; sophomores Ron Austin, George Nyland, Arvo Toukonen, Ray Newman, and Mike Hamper. High scorer for the year was Ben Chambers with 115 points. Other high scorers were Ron Austin — 101; Duane Butler — 93; Ray Newman — 86; Butch Ollila — 70; George Nyland — 37; and Arvo Toukonen — 33.

When asked for comments, coach Ron Butcher replied, "Our record this year was the worst in four years, but the team improved a lot during the season. The boys played well on defense, but were lacking in height for rebounding. Offensively, the ball handling was good, but the shooting was erratic."

With the improvements made this year, these boys should make fine Varsity players in the future.



FRESHMAN BASKETBALL TEAM

Stanley Oberneyer, Steve Leizert, Larry Bragga, Richard Bailey, Richard Ford, Ronnie Shore, Jon Freeman, Lester Burgett, Jim Golen, Floyd Clark, Ken Zigmund, Erich Grayson, Kenneth Taft, Coach Smolka, Dennis Armstrong.

The young freshman team has proved very successful this year. Winning 12 out of 13 games, the team will move forward to the freshman tournaments, April 15. The first string players this year were: Jonathan Freeman, Jim Golen and Dick Ford, who were high scorers, Floyd Clark and Stanley Overnyer The advantage of our freshman squad is their ever-lasting energy, and they do not tire easily.

Mr. Smolka is their coach and he hopes to be very successful in the tournaments. There is good material in the team and they should grow to be a good future varsity squad.

Congratulations go to Mr. Smolka and his team for their excellent record this year. Let's hope they keep up the good work.

Mr. Smolka has the following comments about the team: "This year's Freshman Basketball team proved that basketball games can be won by a team with smaller players than their opposition. Jefferson played almost every game against teams superior to them in height, but the desire to win and good team play brought a winning season. A team that plays together wins together and that is what this year's Freshman squad proved."

Suzanne Sherrange, Cheryl Wayland, Helen Bielech.

FRESHMAN CHEERLEADERS

James Bauwin, Ted Hill, Ron Fuller, Charles Armstrong, Gary McNutt, Joe Bone, Fred Johnson, Mike Johnson, Ron Brown, Larry Smith, Richard Stevens, Micky Zigmund, Doug Franley, Albert Hughes, Bill Maylish. Coach Proctor, Steve Gogul.

JUNIOR HIGH BASKETBALL TEAM

From five to seven each evening the gym resounded to the tune of rubber-soled shoes and bouncing basketballs. The Junior High basketball team was practicing. This group is composed of those boys in the seventh and eighth grades who have a desire to participate in sports.

The object of this team is to promote an interest in basketball and to help these boys learn the basic fundamentals of the game.

Our Junior High team is not extremely tall but one of good ability and high potential for the future years. Though the team boasts only a five win and nine loss record their coach, Mr. Floyd Proctor states that they played considerably better than the records show. The team lost many of their games by only one or two points.

Mr. Proctor has been coaching for five years and has been working with the Junior High team for the past two years. He is very pleased with the team's progress and feels they had a good season.

Future success to this young team and we hope that they may bring many honors from the realm of basketball to our school. Congratulations, boys for a fine season.

JUNIOR HIGH CHEERLEADERS

Donna Bielech, Nadine Ashley, Nancy Smith, Veronica Dzuiba, Claudette Ford.

CLASS HISTORY OF 1960

As graduation draws near, let us take a look at how the class of 1960 formed.

We embarked upon a new adventure; as a frightened and curious group of youngsters, we started down the halls of education twelve years ago, to prepare ourselves for tomorrow.

Elementary school presented a "first time" for a great number of adventures. Some of them were our first report card, our first time to present a program for our parents and friends, for some of us to go on small excursions with, a new word, our classmates.

Those of us who started here in the first grade were: Alice Ashley, Mary Boberg, Linda Bratten, Carole Brenneman, Douglas Brenneman, Virginia Brenneman, Paul Brooks, Patricia Brown, Suzanne Buckley, Evelyn Budd, Rollin Havens, John Hawkins, Carroll Herrmann, Julia Johnston, Richard Kolehmainen, Verna Lemponen, Sharon Luce, Sandra Mead, Barbara Miller, David Miller, Donald Mitchell, Ronald Naso, Tom Nizen, Carol Roark, Brenda Schumann, Patti Shore, Grace Smith, Betty Snyder, William Swickard, Maryeleanor Van Slyke, Margretta Vote, and James White.

In the middle of the first grade James Anthony and Joyce Brown entered Jefferson.

The second year of education brought James Cook and John Hruska as new members of our class.

In the third grade, Ronald Berrier and Darlene Inman made the class of 1960 two larger.

Two more joined us in the fourth grade, they were James Maylish and Tom Reuschling.

Charles Evans and Daniel Kelly in the fifth grade, and Mary Ellen Hawes in the sixth grade were those who joined us to help make our final preparations before entering junior high school.

When the September finally came when we could enter high school we were once again a curious and excited group of young people. Now, we could go to the high school dances, enter into the fun of pep assemblies, go to football games with some idea of who was playing, and what we were cheering for, and greatest of all, changing classes. We had the opportunity to elect our class officers and for some of us to hear our name as one of the few who made the honor roll. Those who entered in the midst of all this excitement were Edmound Brown, James Sackett, and Jerrold Schultz.

After all the excitement of entering high school was over, three more students joined our class in the eighth grade, they were James Burlin, George McMannes, and Kathleen McNutt.

In the ninth grade the boys were eligible to go out for athletics, such as football, basketball and track. The girls could join the many clubs offered by the high school for them, such as G.I.A., J-Hi-Life, or any one of her choice.

Our freshman year also brought a large number of new students to Jefferson. Those from Dorset were: Rosemary Baker, Carol Berrier, Janice Clark, Marilyn Cliff, Herbert Haines, Barbara Hudson, Carol Jewell, Joyce Ketola, Donald Kyle, Leon Smith, Gary Piiponen, and Ronald Vosburg.

Those from Lenox were: Larry Brown, Judith Chapin, Dennis Connolly, James Divine, Denise Hall, Lillian Kapferer, Sharon Kasonic, Nancy Kurt, Lila Salem, Sandra Springer, Robert VanDevender, and Martin Vargo.

There were also a few students from other schools, they were: June Hall, Charles Hamilton, Edward Miller, Nancy Pettit, Valerie Price, and Marie Ensman.

When our sophomore year began we had to start thinking about giving the prom the following year. We chose as a project the sale of desk pen sets. At the end of the year, we were well on the way to a beautiful prom. Cora Gray, Luba Korownyk, Kenneth Misener, Donald Otto, and Robert Parsons entered Jefferson in their sophomore year.

The following year was very busy for all of us as juniors. Another project to help finance the prom was the sale of Christmas candles. We chose to present for the junior play a three act comedy, "Aunty Misbehaves." When it finally came time for the prom we chose "Hawaiian Sunset" as the theme. Alice Kosenko and Beatrice Taylor were the students who joined us in our junior year.

The class of 1960 became a complete group as Nate Hall joined us in our senior year.

The officers chosen to represent us were: President, Tom Reuschling; Vice-President, Ronald Berrier; Secretary, Esther Hanson; Treasurer, Edmound Brown.

For the senior play we chose a three act mystery, "Dangerous Nan McGrew."

We wish to thank the faculty, our parents, and our many friends in the community for making our education an experience we will never forget.

1960 CLASS PROPHECY

We, Bonnie Beebe, Jackie Washburn, Gene Ollila, and Dennis Ward, predict the future for the members of the Class of 1960.

Rosemary Baker, Cora Gray, and Marie Ensman are still sitting at Manners; waiting to be served by that cute car-hop, Kathy McNutt. Wy don't you complain to the new manager, Marty Vargo, girls?

Paul Brooks is now designing cars for Tom Nizen's new General Motors Division in Jefferson. Donald Kyle, Gary Piiponen, Ronnie Vosburg, and Leon Smith are his loquacious salesmen. The chief "grease-monkey" is Rollin Havens.

Suzanne Buckley and Brenda Schumann have a new jazz album out, featuring duets by Dennis Connolly and Marilyn Cliff. Also, The Three Browns: Joyce, Larry, and Patty, have released a new record called "Big Jimmy Brown."

Meanwhile, Jim Maylish is working up a new dance routine for Bob Van Devender's latest musical. As Jim has always said, "Put a little fun in your life: try dancing!" This reminds us Carole Roark is now in show business, too. She is doing Coca Puff commercials.

That world renowned painter, Don Otto, is exhibiting his latest work at Nate Hall's new art gallery. The models for the painting were Luba Korownyk and Julia Johnston.

Those society "do-gooders," Charles Hamilton, Herb Haines, and Doug Brenneman, have financed a new Aeronautical Engineering College. The dedication services were held by the Rev. Donald Mitchell and Rev. James Divine. Head of the mathematics department is Edd Miller, Ph.D., and Alice Ashley is in charge of the cafeteria.

Bob Parsons became — what else? — a beatnik! He has just started an expresso place on Sunset Strip. His bongo player is Carole Lynn Brenneman.

Verna Lemponen is married and lives in Ashtabula. She has just been chosen "Mother of the Year."

Nancy Kurt and Sharon Luce have taken over the Teamsters' Union. They succeeded Bill Cornell, who has accepted a better position at Clintons' Drug Store.

Valerie Price and Nancy Pettit are the first lady barbers in Jefferson. Jim Sackett is the manicurist.

Ron Naso is the president of the Farm Bureau. Judy Chapin is in charge of delivering feed. Incidentally, speaking of feed, Jerry Schultz is the head waiter at Bill Swickard's famous restaurant.

Jim Anthony, Ron Berrier, and Butch Brown are interior decorators. They are remodeling Carroll Herrmann's night Club.

Sandy Springer owns the Heavyweight Champion of the World, George McMannes.

Denise Hall, Esther Hanson, and Sandy Mead are fashion designers. A new Slenderella Salon is being operated by Carol Jewell, Lila Salem, and Janice Clark.

Famous District Attorney, Tom Reuschling, seems involved in the outcome of his latest case. Richard Kolehmainen is the Counsel for the defense, representing Joyce Ketola in the Sharon Kasonic Case. Dan Kelly is the honorable judge.

Evelyn Harvey, Mary Ellen Hawes, and Lillian Kapferer, own a large pineapple plantation in Northern Siberia.

Attending police academy is Larry Fink, and June Hall is a police photographer.

Jim White makes doughnuts and his wife, Darlene, drills the holes in them.

Jim Cook is a butcher.

John Hruska is a baker.

John Hawkins is a candlestick maker.

The only census taker in the class is Barbara Miller. She's a thinking lady.

Virginia Brenneman has become a veterinarian. She has doctored animals of such people as Mary Boberg, of television fame, Evelyn Budd, brilliant ornithologist, and also those of Kenneth Misener, David Miller, and Charles Evans, great white hunters of Africa.

Carol Barrier, Barbara Hudson, and Linda Bratten are all attending school to become psychiatrists.

James Burlin owns a very successful shoe store in Chronelitilic, Rhode Island.

Alice Kosenko and Jean Walker have "pooled" their resources and bought a new Volkswagon.

A sensational girls' basketball team is managed by Margretta Vote and Betty Snyder and is coached by Beatrice Taylor.

Grace Smith and Mary Van Slyke enjoy being airline stewardesses.

Patti Shore spends her time as a cosmotologist, a doctor, a lawyer, a senator, a biologist, a historian, and kenjamiwitnizrgist (cotton picker), which reminds us that we've run out of seniors.
